### Unscented Laundry Liquid

This high performance laundry liquid is three times concentrated, which means consumers get an impressive 48 washes per bottle! Real lavender oil boosts the formula's cleaning power, but leaves no scent in the clothing. This formula is especially good for people with scent or skin sensitivities. Also highly recommended for households with hard water.

### Lavender Laundry Liquid

This high performance laundry liquid is made for people who love the fresh smell of real lavender. It is three times concentrated, so you still get 48 washes per bottle! Real lavender boosts the formula's cleaning power, and leaves a delicate fresh scent in the clothing. This formula is also good for people with scent or skin sensitivities, and is lightly dyed with a water-based food coloring, that rinses clean, and leaves no color residue in your textiles. It is perfectly safe to use on whites or any color fabric. Also highly recommended for households with hard water.

### Spot Remover

This non-toxic, high performance spot remover works well on all kinds of stains: red wine, coffee, mustard, olive oil, balsamic vinegar, bike grease, dirt, pet stains, ketchup, chocolate, ink stains, and finger paint! For best use: saturate fabric on and around the stain area, and let it stand for five minutes before washing.
